FILE NO. 314-78 RESOLUTION NO. 601-78

OPPOSING ENACTMENT OF SENATE BILL 1757, NOW PENDING IN THE STATE LEGISLATURE

WHEREAS, Senate Bill 1757, relating to community antenna television, is now pending in the State Legislature; and

WHEREAS, Senate Bill 1757 would require that legislative bodies such as the San Francisco Board of Supervisors act on cable television rate increase proposals within sixty days or such increases would automatically go into effect; and

WHEREAS, The bill would make such rate setting actions "contractual" rather than "legislative", thus putting the burden of proof on the legislative body to state the reason for denying the rate increase rather than on the franchise holder to justify the need for the increase; and

WHEREAS, These proposed changes would lose for the City and County of San Francisco the most important controls it has in the regulation of cable television; now, therefore, be it

RESOLVED, That the Board of Supervisors opposes enactment of Senate Bill 1757; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the San Francisco delegation in the State Legislature.

ESTABLISHING A RENTER'S HOTLINE (495-5644) AND URGING THE EMERGENCY SERVICES OF THE OFFICE OF THE MAYOR TO TAKE CALLS AND LOG RENTER COMPLAINTS REGARDING INCREASE IN RENTS SINCE JUNE 6, 1978.

WHEREAS, the passage of Proposition 13 will have the effect of lowering property taxes by approximately 60%; and

WHEREAS, renters have always indirectly paid real property taxes through their rents; and

WHEREAS, Proposition 13 does not have any provision for renter relief; and

WHEREAS, prior to the passage of Proposition 13, the proponents represented that apartment house owners would pass on all or part of their real estate tax savings on to renters; and

WHEREAS, there have been cases of landlords increasing rents since the passage of Proposition 13; and

WHEREAS, if in fact rents have indeed been raised since June 6, 1978, this Board of Supervisors finds that said increase is unconscionable in view of the tax savings accruing to the landlord through the passage of Proposition 13; and

WHEREAS, in order for the Board of Supervisors to consider legislation which would impose rent controls, rent roll backs or rent rebates, this Board of Supervisors must have information regarding whether or not a substantial number of landlords have indeed raised the rents in San Francisco since June 6, 1978; and

WHEREAS, said information regarding rent increases should be lodged with a responsible agency of city government, and it appearing that the Mayor's Office of Emergency Services appears to be the best suited and equipped office to receive said information;

THEREFORE BE IT RESOLVED that this Board of Supervisors hereby establishes a Renter's Hotline (495-5644) and urges all San Franciscans who have information regarding rent increases since June 6, 1978, to report said rent increases on said Renter's Hotline; and

BE IT FURTHER RESOLVED that His Honor the Mayor is urged to direct his Office of Emergency Services to take said calls and log renter complaints regarding said rent increases and to report same to the Board of Supervisors at its regular meeting of August 14, 1978.

BE IT FURTHER RESOLVED that His Honor the Mayor is further urged to allocate whatever manpower resources are necessary to carry out the aims and goals of this resolution.

RESOLVED, That the authorization, form and execution of the City and County of San Francisco 1978 Residential Rehabilitation Revenue Bonds shall be as follows:

ARTICLE XII

AUTHORIZATION, FORM AND EXECUTION OF BONDS

SECTION 12.01. Due Authorization. This Board has reviewed all proceedings heretofore taken relative to the authorization of the 1978 Bonds and has found, as a result of such review, and does hereby find and determine that each and all of the matters hereinabove recited are true and correct, and the City has duly and regularly complied with all applicable provisions of law and is duly authorized by law to issue revenue bonds in the manner and upon the terms in this Resolution provided.

SECTION 12.02. Authorization. Bonds of the City, payable as to both principal and interest from Revenues as hereinafter provided, to be known as the "City and County of San Francisco 1978 Residential Rehabilitation Revenue Bonds," limited to the aggregate principal amount of three million dollars ($3,000,000), are hereby authorized to be issued by the City under and subject to the terms of this Resolution.

The 1978 Bonds shall be dated September 1, 1978, and shall bear interest at such rate or rates, determined as provided in the next paragraph, payable semiannually on March 1 and September 1 of each year. The 1978 Bonds shall mature on September 1 in each year, as follows:

1981	100,000	1991	170,000
1982	105,000	1992	180,000
1983	110,000	1993	185,000
1984	115,000	1994	195,000

1987	135,000	1997	230,000
1988	145,000	1998	245,000
1989	150,000		

Both the principal of and interest on the 1978 Bonds shall be payable in lawful money of the United States of America at the principal office of the Trustee in the City and County of San Francisco, State of California, or in the case of coupon 1978 Bonds, at the option of the holder, at the office of the Paying Agent in the Borough of Manhattan, City of New York, State of New York, or at the office of the Paying Agent in the City of Chicago, County of Cook, State of Illinois.

1978 Bonds maturing on or prior to September 1, 1988, shall bear interest at the rate designated by the Board at the time of the sale of the 1978 Bonds. 1978 Bonds maturing on September 1, 1989, through September 1, 1998, both inclusive, shall bear interest at the rate designated by the Board at the time of the sale of the 1978 Bonds from their date through September 1, 1988, and, from September 1, 1988, through September 1, 1998, such 1978 Bonds shall bear interest at the rate determined on or prior to September 1, 1988, to be the current prevailing market rate for nationally traded "Aa" or equivalently rated ten-year general obligation tax-exempt securities.

The Trustee in establishing such rate shall on August 1, 1988, obtain quotations from each of three national investment dealers or banks having a capital (exclusive of borrowed capital) and a surplus of not less than $100,000,000. The Trustee shall select the middle rate if there are three quotations or the rate upon which any two or more of such dealers or banks agree and shall immediately notify in writing the Paying Agents and any registered holder of the 1978 Bonds of the rate selected. At the option of the bondholder, coupons maturing on and after March 1, 1989, may be exchanged for coupons bearing such rate so established. Additional notification of such option shall be included by the Trustee and the Paying Agents with the payment of the coupons maturing September 1, 1988.

The 1978 Bonds may be issued as coupon 1978 Bonds in the denomination of $5,000 or as fully registered 1978 Bonds without coupons in the denominations of $5,000 or any authorized multiple of $5,000. The coupon 1978 Bonds shall be numbered B1 to B600, inclusive, in consecutive numerical order from lower to higher, and shall bear interest from September 1, 1978. The interest coupons attached thereto shall be numbered in consecutive numerical order from 1 up in the order of their respective maturities. Each such coupon shall represent six months' interest on the coupon 1978 Bond to which it is attached.

Each fully registered 1978 Bond shall bear interest

from the interest payment date next preceding the date of authentication and registration thereof unless it is authenticated and registered as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is authenticated and registered prior to March 1, 1979, in which event it shall bear interest from September 1, 1978; provided, however, that if, at the time of authentication and registration of any fully registered 1978 Bond, interest is in default on outstanding 1978 Bonds, such fully registered 1978 Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding 1978 Bonds. Payment of the interest on any fully registered 1978 Bond shall be made to the person appearing on the bond registration books of the Trustee as the registered owner thereof, such interest to be paid by check or draft mailed to the registered owner at his address as it appears on such registration books or at such address as he may have filed with the Trustee for that purpose.

The 1978 Bonds shall be subject to redemption as provided in Article IV and Section 5.04 of the Resolution.

The Board hereby directs that there shall be included in each of the 1978 Bonds a certification and recital that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of said 1978 Bond, do exist, have

happened and have been performed in due time, form and manner as required by law, that the 1978 Bonds are issued pursuant to the Act, and that the amount of said 1978 Bonds, together with all other obligations of the City, does not exceed any limit prescribed by this Resolution, the Charter of the City or statutes of the State of California, and such certification and recital shall be in substantially the form set forth in the forms of Bonds prescribed in Section 2.03. From and after the issuance of the 1978 Bonds the findings and determinations of the Board respecting the 1978 Bonds shall be conclusive evidence of the existence of the facts so found and determined in any action or proceeding in any court in which the validity of the 1978 Bonds is at issue and no bona fide purchaser of any 1978 Bond containing the foregoing certification and recital shall be required to see to the existence of any fact, or to the performance of any condition, or the taking of any proceeding, required prior to such issue, or to the application of the purchase price paid for the 1978 Bonds. The 1978 Bonds shall be deemed to be issued, within the meaning of this Resolution, whenever the definitive 1978 Bonds, or any temporary 1978 Bonds exchangeable therefor, have been delivered to the purchasers thereof, and the purchase price thereof received, or in the case of 1978 Bonds to be refunded through exchange, whenever such exchange has been made.

SECTION 12.04. Form of Bonds. (a) The coupon

1978 Bonds, the interest coupons to be attached thereto and the form of Trustee's certificate of authentication to appear thereon shall be in substantially the following forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution:

1978 RESIDENTIAL REHABILITATION

REVENUE BOND

CITY AND COUNTY OF SAN FRANCISCO, a chartered city and county duly organized and existing under and pursuant to the Constitution and laws of the State of California (herein called the "City"), for value received, hereby promises to pay (but only out of the Revenues hereinafter referred to) to the bearer hereof, on September 1, 19__ (subject to any right of prior redemption hereinafter mentioned), the principal sum of Five Thousand Dollars ($5,000), together with interest thereon from the date hereof until the principal hereof shall have been paid, at the rate of _____ per cent (_____%) per annum, payable semiannually on March 1 and September 1 in each year. [On Bonds maturing from September 1, 1989 to September 1, 1998, continue with the following: ", until September 1, 1988, from which date the rate of interest payable on the outstanding

principal shall be a rate determined as set forth in the Resolution."] Interest due on or before maturity of this Bond shall be payable only upon presentation and surrender of the annexed interest coupons as they severally become due. Both the principal hereof and interest hereon are payable in lawful money of the United States of America at the principal office of Bank of America National Trust and Savings Association, the Trustee of the City, in San Francisco, California, or, at the option of the holder, at the principal office of Bankers Trust Company, in New York, New York, or at the office of Harris Trust and Savings Bank in Chicago, Illinois, the paying agents of the City.

This Bond is one of a duly authorized issue of City and County of San Francisco 1978 Residential Rehabilitation Revenue Bonds (herein called the "Bonds") of an aggregate principal amount of Three Million Dollars ($3,000,000), all of like tenor and date (except for such variations as may be required to designate varying numbers, maturities, interest rates or redemption provisions), all issued and to be issued pursuant to the provisions of the laws of the State of California, including the Marks-Foran Residential Rehabilitation Act of 1973, as amended (herein called the "Act"), and pursuant to Resolution No. 832-76, as supplemented, adopted by the Board of Supervisors of the City on October 25, 1976 (herein called the "Resolution"). Reference is hereby made to the Resolution, to any resolutions supplemental thereto and to the Act for a description of the terms on which the Bonds are issued and to be issued, the provisions

with regard to the nature and extent of the Revenues, as that term is defined in the Resolution, and the rights of the holders and registered owners of the Bonds and of the bearers of the appurtenant coupons; and all the terms of the Resolution and the Act are hereby incorporated herein and constituted a contract between the City and the holder from time to time of this Bond, and to all the provisions thereof the holder of this Bond, by his acceptance hereof, consents and agrees.

The Bonds and the interest thereon (to the extent set forth in the Resolution) are payable from, and are secured by a charge and lien on, the Revenues derived by the City from the Promissory Notes (as such term is defined in the Resolution), but nevertheless Revenues may be expended for other purposes, all in accordance with the Resolution.

The Bonds are not a general indebtedness of the City or of the State of California but are special obligations of the City, and are payable, both as to principal and interest, and as to any premiums upon the redemption thereof, out of the Revenues and from any other funds legally available therefor. Neither the faith and credit nor the taxing power of the City is pledged to the payment of the principal of or interest on this Bond. No holder of this Bond shall ever have the right to compel any exercise of any taxing power of the City or of the State of California to pay this Bond or the interest thereon.

Additional bonds may be issued on a parity with

the Bonds of this authorized issue, but only subject to the conditions and limitations contained in the Resolution.

All Bonds are subject to redemption prior to their respective stated maturities, without premium, under the circumstances and upon the terms and conditions set forth in the Resolution, from moneys in the Redemption Fund provided for in the Resolution, at the principal amount thereof and accrued interest thereon to the date of redemption.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Resolution, interest shall cease to accrue hereon from and after the date fixed for redemption, and coupons for such interest subsequently maturing shall be void.

The Bonds are issuable as coupon Bonds in the denomination of $5,000, and as fully registered Bonds without coupons in denominations of $5,000 and any authorized multiple thereof. Coupon Bonds and fully registered Bonds are exchangeable upon the terms and conditions of, and upon payment of the charges, if any, provided in the Resolution.

This Bond is negotiable and transferable by delivery, and the City, the Trustee and any paying agent of the City may treat the bearer hereof, or the bearer of any coupon appertaining hereto, as the absolute owner hereof or of such coupon, as the case may be, for all purposes, whether or not this Bond or such coupon shall be overdue, and the City, the Trustee and any such paying agent shall not be affected by any notice to the contrary.

The rights and obligations of the City and of the holders and registered owners of the Bonds may be modified or amended at any time in the manner, to the extent, and upon the terms provided in the Resolution, provided that no such modification or amendment shall (i) extend the fixed maturity of any Bond, or reduce the principal amount thereof, or reduce the rate of interest (subject to the interest adjustment on Bonds maturing September 1, 1989 through September 1, 1998, as provided in the Resolution) thereon or extend the time of payment of interest thereon, without the consent of the holder of each Bond so affected, or (ii) reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, without the consent of the holders of all of the Bonds then outstanding, or (iii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to happen and to be performed, precedent to and in the issuance of this Bond, do exist, have happened and have been performed in due time, form and manner as required by law, that the Bonds are issued pursuant to the Act, and that the amount of this Bond, together with all other obligations of the City, does not exceed any limit prescribed by the Resolution, the Charter of the City or the statutes of the State of California.

Neither this Bond nor any coupons appertaining

hereto shall be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been signed by the Trustee.

Bonds and on the date of delivery. Also, any 1978 Bond may be signed and sealed on behalf of the City by such person as at the actual date of execution of such 1978 Bond shall be the Mayor or the Clerk of the Board, as the case may be, although on the date borne by such 1978 Bond such person shall not have been such official.

Only such of the 1978 Bonds as shall bear thereon a certificate of authentication or certificate of authentication and registration in the respective forms hereinbefore recited, executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Trustee shall be conclusive evidence that the 1978 Bonds so authenticated or authenticated and registered have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

Prior to the delivery of any coupon 1978 Bond, all coupons thereon then matured shall be detached and cancelled by the Treasurer or by the Trustee and delivered to or upon the order of the City.

SECTION 12.06. Transfer of Coupon 1978 Bonds. All coupon 1978 Bonds shall be negotiable and transferable by delivery. The City, the Trustee and any Paying Agent may treat the bearer of any coupon 1978 Bond, whether or not such 1978 Bond shall be overdue, and the bearer of any coupon, whether or not such coupon shall be overdue, as the absolute owner of such 1978 Bond or coupon for the purpose of receiving payment thereof and for all other purposes whatsoever, and the City, the Trustee and any

Paying Agent shall not be affected by any notice to the contrary.

SECTION 12.07. Transfer of Fully Registered 1978 Bonds. Any fully registered 1978 Bond without coupons may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 2.08, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such fully registered 1978 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any 1978 Bond shall be issued under this Resolution as a fully registered 1978 Bond without coupons, there shall be reserved by the Trustee unissued an aggregate principal amount of coupon 1978 Bonds, of the same maturity and of the denomination of $5,000, equal to the principal amount of such fully registered 1978 Bond, and in such case the serial number or numbers of the coupon 1978 Bond or Bonds so reserved, together with an appropriate statement as to such reservation, shall be endorsed on such fully registered 1978 Bond.

Whenever any fully registered 1978 Bond or Bonds without coupons shall be surrendered for transfer, the City shall execute and the Trustee shall authenticate and deliver a new fully registered 1978 Bond or Bonds without coupons, of the same maturity and for a like aggregate principal amount, which shall have endorsed thereon the same coupon 1978 Bond serial number of numbers, if any, so reserved. The Trustee shall require the payment by the Bondholder

requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfers of fully registered 1978 Bonds shall be required to be made during the fifteen days next preceding each interest payment date.

SECTION 12.08. Exchange of 1978 Bonds. Fully registered 1978 Bonds without coupons may be exchanged at the principal office of the Trustee in San Francisco, California, for a like aggregate principal amount of coupon 1978 Bonds of the same maturity (or for a like aggregate principal amount of fully registered 1978 Bonds of other authorized denominations of the same maturity), and coupon 1978 Bonds may be exchanged at said office of the Trustee for a like aggregate principal amount of fully registered 1978 Bonds of authorized denominations of the same maturity. All coupon 1978 Bonds surrendered for exchange and delivered in exchange shall have attached thereto all unmatured coupons appertaining thereto (and any matured coupons in default). The Trustee shall preserve coupon 1978 Bonds surrendered to it for exchange, and may subsequently reissue said coupon 1978 Bonds in exchange for a like aggregate principal amount of fully registered 1978 Bonds, as hereinabove provided, after detaching all matured interest coupons appertaining thereto. No charge shall be made to any holder of 1978 Bonds upon the exchange of such 1978 Bonds, except that the Trustee shall require the payment by the Bondholders requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No such exchange shall be required to be made during the fifteen days next preceding each interest

payment date. Any 1978 Bonds issued in exchange for other 1978 Bonds pursuant to this Section 12.08 shall bear the same special legends that appeared on the 1978 Bond surrendered for such exchange.

SECTION 12.09. Temporary 1978 Bonds. Any 1978 Bonds may be initially issued in temporary form exchangeable for definitive 1978 Bonds when ready for delivery. The temporary 1978 Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the City, shall be without coupons and may contain such reference to any of the provisions of this Resolution as may be appropriate. The temporary 1978 Bonds may be in the form of a single registered 1978 Bond payable in installments, each on the date, in the amount and at the rate of interest established in Section 12.03 for 1978 Bonds maturing on such date. Every temporary 1978 Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive fully registered 1978 Bonds without coupons, provided, however, that such temporary 1978 Bond may be a single 1978 Bond having more than one maturity amount and date. If the City issues temporary 1978 Bonds, it will execute and furnish definitive 1978 Bonds without delay and thereupon the temporary 1978 Bonds may be surrendered, for cancellation, in exchange therefor at the principal office of the Trustee in San Francisco, California, and the Trustee shall deliver in exchange for such temporary 1978 Bonds an equal aggregate principal amount of definitive coupon 1978 Bonds or definitive fully registered 1978 Bonds without coupons of authorized denominations. Until so exchanged, the temporary 1978 Bonds shall be entitled to the same benefits under this Resolution as definitive 1978 Bonds delivered hereunder.

SECTION 12.10. Issuance and Authentication of 1978 Bonds. At any time after the adoption of this Resolution, the City may execute and the Trustee may authenticate and deliver 1978 Bonds in the aggregate principal amount of not to exceed Three Million Dollars ($3,000,000).

SECTION 12.11. Application of Proceeds of 1978 Bonds. The proceeds received by the City from the sale of the 1978 Bonds shall be deposited with the Trustee, who shall, with appropriate proration in all funds, forthwith set aside such proceeds in the following respective funds:

(a) The Trustee shall set aside in the Interest Fund (established pursuant to Section 5.03) any accrued interest received upon the sale of the 1978 Bonds.

(b) The Trustee shall set aside in the Reserve Fund (established pursuant to Section 5.03) the sum of two hundred sixty thousand dollars ($260,000).

(c) The Trustee shall set aside in the Delinquency Reserve Fund (established pursuant to Section 5.03) the sum of fifty thousand dollars ($50,000).

(d) The Trustee shall set aside in the Operation and Expense Fund (established pursuant to Section 5.03) an amount equal to the estimated Operation Costs and Expenses as set forth in the budget provided for in Section 5.03 for the period commencing with the date of delivery of the 1978 Bonds and ending June 30, 1979, not heretofore deposited or provided for.

(e) The Trustee shall set aside the remainder of said proceeds in the "City and County of San Francisco Residential Rehabilitation Mortgage Fund" in a separate account thereof entitled (and the Master Resolution is hereby amended to incorporate this title) the "Residential Rehabilitation Revenue Bonds Mortgage Acquisition Account" (herein called the "Mortgage Acquisition Account"), which the Trustee shall establish and maintain.

SECTION 12.12. No Arbitrage. The City hereby covenants with the holders of all 1978 Bonds at any time outstanding that it will make no use of the proceeds of any of the 1978 Bonds or any other funds of the City which will cause such 1978 Bonds to be "arbitrage bonds" subject to federal income taxation by reason of section 103(c) of the Internal Revenue Code of 1954, as amended. To that end, so long as any of the 1978 Bonds are outstanding, the City, the Trustee, any Paying Agents, the Treasurer and all other officers having custody or control of such proceeds or other funds shall comply with all requirements of said section 103(c) and all regulations of the United States Department of the Treasury issued thereunder, to the extent that such requirements are, at the time, applicable and in effect.

SECTION 12.13. Order to Print 1978 Bonds. The Chief Administrative Officer is hereby authorized and directed to cause within thirty (30) days of the adoption of this First Supplemental Resolution to be lithographed, printed

or engraved a sufficient number of 1978 Bonds and coupons of suitable quality, said 1978 Bonds and coupons to be prepared in final proof form for the appropriate interest rate to be inserted thereon upon the sale of the 1978 Bonds.

SECTION 12.14. Order to Sell 1978 Bonds. The Chief Administrative Officer is hereby authorized and directed to cause the official notice of sale of said 1978 Bonds to be published once in a newspaper of general circulation published in the City and County of San Francisco, State of California. The Mayor, the Clerk of the Board of Supervisors, the Controller, the Treasurer and the Chief Administrative Officer are hereby authorized and directed in the name and on behalf of the City to make any and all certificates, requisitions, agreements, notices, consents, warrants and other documents which they, or any of them, might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of said $3,000,000 principal amount of 1978 Residential Rehabilitation Revenue Bonds.

SECTION 12.15. Terms of 1978 Bonds Subject to the Master Resolution; Effect of Amendments. Except as in this First Supplemental Resolution expressly provided, every term and condition contained in the Master Resolution shall apply to this First Supplemental Resolution and to the 1978 Bonds with the same force and effect as if the same were herein set forth at length, with such omissions, variations and modifications thereof as may be appropriate to make the same conform to this First Supplemental Resolution.

This First Supplemental Resolution and all the terms and provisions herein contained shall form part of the Master Resolution as fully and with the same effect as if all such terms and provisions had been set forth in the Master Resolution. The Master Resolution is hereby ratified and confirmed and shall continue in full force and effect in accordance with the terms and provisions thereof, as amended and supplemented hereby.

EXTENDING THE PERIOD OF DELIBERATION OF PROPOSED RESIDENTIAL ZONING REVISIONS BY A PERIOD OF TWO MONTHS FROM SEPTEMBER 20, 1978 TO NOVEMBER 20, 1978.

WHEREAS, In response to widespread requests to consider the adequacy of residential zoning in San Francisco, and to make zoning more suitable to the present-day concerns and expectations of the people of the City, on August 2, 1973, the City Planning Commission authorized a comprehensive study of residential zoning throughout the City, and said study, which also was endorsed by the Board of Supervisors, was commenced in July, 1974, after interim residential protection measures were adopted by the Board in February, 1974; and

WHEREAS, On May 20, 1976, the Department of City Planning presented to the Commission detailed lot-by-lot zoning reclassification maps and a description of the standards found by the staff to be most appropriate for consideration for the residential areas of the City; and in order to initiate the required hearing process, the Commission adopted Resolution No. 7499, declaring its intention to consider those proposals as amendments to the City Planning Code, which declaration had the effect of requiring adherence to the new standards or maps where the zoning classification under consideration was more restrictive than the existing zoning; and

WHEREAS, In said Resolution, the Commission directed the Zoning Administrator to set a time and place for hearings on said amendments, but instructed the Department to study and refine the maps and written regulations proposed prior to scheduling of said hearings; and

WHEREAS, During the deliberate process of testing and refining the initiated maps and regulations since May, 1976, the Department has met with residents, neighborhood goups, professionals knowledgeable about housing, builders and developers and others; has contracted with consultants for expert economic and building design analyses and recommendations; has conducted additional field surveys and analyzed the effect of the initiated standards upon building permit applications filed since May, 1976; and has drafted an Environmental Impact Report which analyzes the potential environmental impact of the proposed regulations, mitigation measures proposed to minimize the impact of the regulations and alternatives to the proposed action; and

WHEREAS, In furtherance of this testing and refining process, on November 29, 1977, the Department presented to the Commission a proposed ordinance text for governing residential development and use in San Francisco, amending City Planning Code Articles 1, 2, 2.5, 3 and 6, deleting Articles 4 and 5, and adding Articles 1,2, 1.5, and 1.7, with all new or amended Articles presented in a document entitled Proposed Ordinance Text for New Residential Zoning, together with the 13 sheets of the Zoning Map covering the entire City and showing the proposed revised lot-by-lot reclassification of residential areas; and

WHEREAS, The City Planning Commission on December 8, 1977, through Resolution No. 7864, incorporated the Proposed Ordinance Text for New Residential Zoning dated November 29, 1977, and the 13 sheets of the proposed Zoning Map covering the entire City, dated December 8, 1977, for its consideration in public hearings in order to complete the process leading to adoption of new residential zoning in San Francisco, amending the action taken by the Commission through Resolution No. 7499; and

WHEREAS, The City Planning Commission held public hearings on January 12 and 19, and March 7, 1978, in the Civic Center, and on February 7, 14, 21 and 28, 1978, at specific neighborhood locations, after mailing of a notice and a description of the proposals and the maps to all owners of real property in the City, other mailed and published notice, and widespread publicity for the public hearings in the newspapers and on

radio and television, in order to elicit the views of residents, and other interested persons and groups, regarding the proposed zoning revisions; and

WHEREAS, The City Planning Commission received public testimony, of both a general and specific nature, in support of, and in opposition to, the proposed zoning maps and written standards, as well as numerous requests for consideration of refinements and changes; and

WHEREAS, The Department of City Planning has received nearly 700 written requests to revise the proposed Zoning Map, and more than 100 specific proposals to revise the recommended written regulations, and revised the proposed ordinance where revision was deemed appropriate, and has revised the draft Environmental Impact Report based upon citizen input, necessitating the re-advertising of the Environmental Impact Report and an additional 30-day review period; and

WHEREAS, Section 302(e) of the City Planning Code states that proposed city-wide revisions, such as those initiated on May 20, 1976, shall have an effect upon permit applications, where the zoning classification under consideration is more restrictive than the existing zoning, for a period of up to two years during the hearing process; and

WHEREAS, This period may be extended for a further period of up to six months by resolution of the Board of Supervisors; and

WHEREAS, Revised proposals have recently been acted upon by the City Planning Commission and forwarded to the Board of Supervisors for an important period of hearings and consideration; and

WHEREAS, The Board of Supervisors should be allowed an adequate period of time to deliberate and to act on the proposed amendments to the City Planning Code relating to residential zoning; and

WHEREAS, The pending rules for development heretofore in effect should remain in effect in order to insure stability and predictability during the final period leading up to Board action; and, now, therefore,

BOARD OF SUPERVISORS

BE IT RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby extend the period of deliberation of proposed residential zoning revisions by a period of two months from September 20, 1978 to November 20, 1978, during which time the proposed pending zoning controls shall have an effect upon permit applications, pursuant to Section 302(e) of the City Planning Code, said controls being those initiated by the City Planning Commission under Resolution No. 7499, on May 20, 1976, and amended by Resolution No. 7864, dated December 8, 1977; and, now be it

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, August 21, 1978; and

WHEREAS, The matter was continued by the Board of Supervisors for hearing on August 28, 1978; and

WHEREAS, On Monday, August 28, 1978, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

The price of Apartment 1, the One-bedroom unit, shall not exceed $46,125, and the price of Units 4,7,9,14, 20 and 21, the six lowest-priced occupied two-bedroom units, shall not exceed $51,750, and these units shall be offered upon conversion, as is, first to tenants of the building who have not purchased another unit in the building, and then to members of the general public, so as not to remove them effectively from the City's low and moderate income housing stock, as required by Section 1385 (b) of the Subdivision Code; these figures may be increased according to any increase in the housing component of the Consumer Price Index between January 1978 and the actual sales dates of these units, and the subdivider shall have the right of first refusal to buy back such units at such prices, as modified by any additional housing component increase, for a three-year period after the initial sale.

Condition No. 2:

The sales program for the project shall promote affirmative action in housing, as required by Section 1342 of the Subdivision Code.

Condition No. 3:

The present tenant or tenants of any unit to be converted shall be given a nontransferable right of first refusal to purchase the unit occupied, as required by Section 1385(d) of the Subdivision Code.

Condition No. 4:

The subdivider shall comply with any applicable temporary, permanent and low and moderate income relocation requirements of Sections 1385(e), 1385(f), and 1385(g) of the Subdivision Code.

Condition No. 5:

The subdivider shall provide tenants of 4 years tenancy 180 days for relocation after the subdivider provides notice of approval of the Final Map by the Board of Supervisors; other tenants shall receive 90 days for relocation.

Condition No. 6:

The subdivider shall reimburse present tenants for up to $2,000 per unit for actual moving expenses if the moving is related to the conversion, and shall offer tenants a 10% discount on sales prices to the general public for those units not within the moderate income housing stock; tenants shall also be able to purchase their units in an "as is" condition, with a corresponding price reduction, except for moderate priced units; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby disapproves the action of the Director of Public Works in disapproving the tentative map hereof.
